MANOJ SHAKAR

UI/UX DESIGNER & DEVELOPER

Experience

UX Designer

Oct 2016 - Present

Trimble Information Technology

A large scale corporate giving me opportunity to work with large amount of data that deals with heavy civil construction machines.

UI Designer

June 2016 - Aug 2016

ZoomRx Inc

A pharma market research startup gave me the lesson of detailing in designing and perfection of the work you delivered.

UI Designer / Developer

Jan 2016 - May 2016

Triton IT solutions, Chennai.

A young surrounding gave me positive vibes to work with fresh bloods and learned the ethics and sense in scripting languages.

Graphic & web Designer

April 2015 - Dec 2015

Sri Hema Infotech, Chennai.

A startup web designing company in Perambur, Chennai. This firm gave me the gateway to the field of designing. A place where I learned knowledge about designing and developing web and mobile products.
